Dear Sir/Madam

We have immense pleasure in conducting a National Seminar on 'Applied Statistical Methodology with Special Emphasis on Time Series Analysis' in conjunction with the Annual Conference of the Kerala Statistical Association (KSA). The seminar is scheduled to be held on 12th and 13th February 2016.

The two-day seminar is to invite the attention of researchers into the recent trends and advances in both theoretical and applied research works in Statistics. The seminar will bring together the researchers working in different areas of Statistics for interaction and exchange of ideas. It will inspire young researchers to pursue research in this important branch of science.

The Kerala Statistical Association (KSA) was founded in 1978 to bring together and to provide a forum for those who have an interest in Statistics. The Annual Conference of KSA will be held on 13th February 2016. Dr. U. S Nair memorial ever-rolling trophy for All Kerala Quiz competition in Statistics, Dr. R. N. Pillai Young Statistician Award and Dr. T. S. K. Moothathu award for the best paper published in the journal of the Kerala Statistical Association (JOKSA 2014) will be given away. Another noteworthy agenda in the Seminar is Prof. K. Ramakrishna Pillai endowment lecture which will be delivered by Dr. K.K Jose, Professor, Central University Rajasthan.

Research Scholars in Statistics below thirty years, who wish to compete for Dr. R.N. Pillai Young Statistician Award are requested to send two copies of the full text of the research article to Dr. Sebastian George, Associate Professor, Department of Statistics, St. Thomas College, Pala 686 574, and one copy to Head, Department of Statistics, Nirmala College, Department of Statistics, Nirmala College, Muvattupuzha 686 661 on or before 15th January 2016.
